This beautiful cape home sits just 525ft from one of the most desirable sections of Nantasket Beach with perfect white sand and views of the Atlantic. As you approach the home you are greeted by a gorgeous front entry with all mahogany decking. Perfect for enjoying the morning sun, sipping coffee, and smelling the ocean. As you open the brand-new entry door into the foyer natural light hits you from the skylight above. The foyer opens to the living room with absolute stunning hardwood flooring with brass inlay that carries throughout the dining room and kitchen. The kitchen features all stainless-steel appliances, new gas Electrolux cook top, recessed lighting, and center island. Two bedrooms also make up the first floor with one that could also be used as an office and the other spacious bedroom as a first-floor primary bedroom. The second floor boasts three very large bedrooms, two of which have all new hardwood flooring. Just minutes to the commuter boat make travel to Boston a breeze.
